Dear All,

We have come to the end of the transition week and have enjoyed getting to know our new students as well as settling our existing students. There have been some key observations around group dynamics and how we manage any potential conflict. Each child at Brook is going to have a successful plan to enable us to ensure their school day is successful to encourage attendance and positive engagement.

Reflecting on our transition plans

Thank you for all the feedback during transition and the sharing of information which has been helpful in building positive relationships as well as working on strategies to support and meet the needs of all our learners. We have made some changes together with the learners to enable them to have a successful day.

These are staggered breakfast times, assembly times and lunch breaks. It was felt by the student council and the rest of the school community that this will be helpful for us to manage the school day safely.

Social Media/Concerns

Please continue to share any concerns with us so that we can support your child in school. We have now got local links for support for young people and families after school and during the weekend. Please speak to us.

Food Bank

Food Bank is back next week with various items so please speak to your child's key worker and we will be happy to support respectfully.
