Dear All,

Welcome Back!

I hope you have taken time to enjoy the great weather, sporting events and other activities over the Summer Holidays. We are back and ready for another new year and look forward to meeting everyone especially our new cohort of Year 7 students starting with us.

We are also proud of our Year 11 students who received their end of year results 2 weeks ago moving on to new Post 16 Destinations this year.

The new cohort of Year 11 students also finished strong last year by completing series of Assessments including Entry Level Certificates and Functional Skills in Maths and English and look forward to their next chapter of preparing for GCSE this year.

As informed last year, we had Ofsted Inspection, the first one as a school community and we are grateful for your support for the positive outcome. We will focus on the next steps this Academic Year to develop a great school for every child with Inclusive Excellence and High Expectations.
